

Supporting development through the private sector

FINDEV CANADA IS CANADA'S DEVELOPMENT FINANCE INSTITUTION (DFI).

We provide a range of financing and investment, including blended finance solutions, to mobilise private capital in and into emerging markets and developing economies, in alignment with Paris Agreement commitments and the Sustainable Development Goals (SDGs). FinDev Canada promotes sustainable and inclusive growth through:

Climate and Nature Action

Building low-carbon and climate-resilient and nature-positive economies, including through sustainable infrastructure;

Gender Equality

Mainstreaming gender equality in investment activities to support women's economic empowerment, gender equality, and improve business performance; and

Market Development

Developing markets to support quality job creation, capital markets, and access to finance as well as products and services that raise living standards and add value to the economy.
