Agribusiness, forestry & their related value chains breakdown

Client stories

DANPER ALV

Danper ALV, a subsidiary of Danper Trujillo, is focused on the production and export of high-value crops, including grapes and avocados, which supports local economic development in Northern Peru.

FINDEV CANADA'S FINANCIAL COMMITMENT: \$8M

Danper ALV's impact

-  Cropland comprised **154** hectares, where **75%** is used to grow avocado and **25%** for grapevines
-  Women represent **50%** of permanent employees
-  FinDev Canada's Technical Assistance Facility supported Danper ALV in developing a GHG emissions measurement calculator to account for emissions sequestration from plantations (i.e., tree corridors, perennial vegetation, diverse crops), an innovative practice in the agribusiness sector

AFRICA FORESTRY FUND II

Africa Forestry Fund II is an investment fund, focused on forestry and forestry-related assets in Sub-Saharan Africa. Managed by Criterion Africa Partners, the fund currently has a portfolio of 13 companies for a total of over US \$80M across targeted Sub-Saharan African countries, namely Namibia, South Africa, Zimbabwe, Mozambique, Tanzania, Uganda, Kenya, and Ethiopia.

FINDEV CANADA'S FINANCIAL COMMITMENT: \$7.5M

Africa Forestry Fund II's impact

-  **330K** tons carbon sequestered by the reforestation and afforestation activities
-  Portfolio companies supported over **1.1K** permanent jobs
-  Women comprise **35%** of permanent jobs
-  Developed a gender action plan with support from FinDev Canada's Technical Assistance Facility
